Message from the Mayor

On behalf of myself and Delta Council, I am thrilled to welcome you to the North Delta Centre for the Arts.

This brand new facility will provide space for arts groups to showcase their craft and perform for the public, as well as house many City of Delta Cultural Services programs, along with every other scheduled Delta Council Meeting.

This brochure provides a detailed outline of the capabilities of the new Centre, including a complete list of its technical specifications. With its video, lighting, and audio capabilities, the North Delta Centre for the Arts has all the resources to elevate our arts and culture community in Delta.

Along with our lobby space, concession, and green room, this facility is equipped to provide the best possible experience for performers and audience-members alike. The Centre also contains a soundproof music room, complete with a grand piano, which is perfect for practice and instruction. Other rooms available include large and small meeting rooms, as well as our entire upper concourse, which will serve as a vibrant gathering place before and after performances.

The City of Delta looks forward to working with you to help realize your artistic vision and further develop Delta's burgeoning arts and culture scene.

Mayor George V. Harvie

George V. Harvie, Mayor

Lower Concourse

The fully accessible North Delta Centre for the Arts has elevator access to the second floor where there is wheelchair accessible Theatre seating.

The Lower Concourse features a box office for ticketing, fully accessible washrooms, and coat check, along with seating room and cocktail tables for socializing at intermission.

To further the guest experience, the Lower Concourse includes a concession area complete with:

- › Refrigeration
- › Ice machine
- › Sink
- › Dishwasher
- › Temporary storage space
- › Coffee machine

Upper Concourse

Windows permit plenty of natural light, while also allowing for adjustable tinting.

The Upper Concourse includes bookable lobby space complete with couches, cocktail tables, and fully accessible washrooms.

The Upper Concourse also contains two meeting rooms:

- One full-sized meeting room complete with chairs, tables, and white board
- One small meeting room with desk; ideal for one-on-one instruction or small groups

Theatre – Performance Space

The Theatre's performance space is open and measures 56' long by 25' wide (17.01m by 7.62m). From floor to ceiling, the performance area is 19' high (5.79m).

A loading bay on the west end of the building connects directly to the performance space for easy equipment load-in.

The Theatre is equipped with a full stage drape package, listed below. The sides of the venue are also equipped with heavy velour acoustic wall drapes in the gallery and upper level.

- 2 x Main Hyacinth Velour Drapes - 20' 2" High by 28' 0" Wide (6.15m by 8.53m)
- 2 x Upstage Traveler Black Velour Drapes - 20' 2" High by 28' 0" Wide (6.15m by 8.53m)
- 6 x Black Velour Legs - 20' 2" High by 15' 0" Wide (6.15m by 4.572m)
- 1 x Opera White PVC Cyclorama Screen - 21' 0" High by 42' 9" Wide (6.4m by 13.03m)
- 2 x Lower Level Black Velour Acoustic Drapes - 6' 11" by 30' 0" Wide (2.11m x 9.14m)
- 2 x Gallery Level Black Velour Acoustic Drapes - 11' 2" by 22' 3" Wide (3.40m by 6.78m)

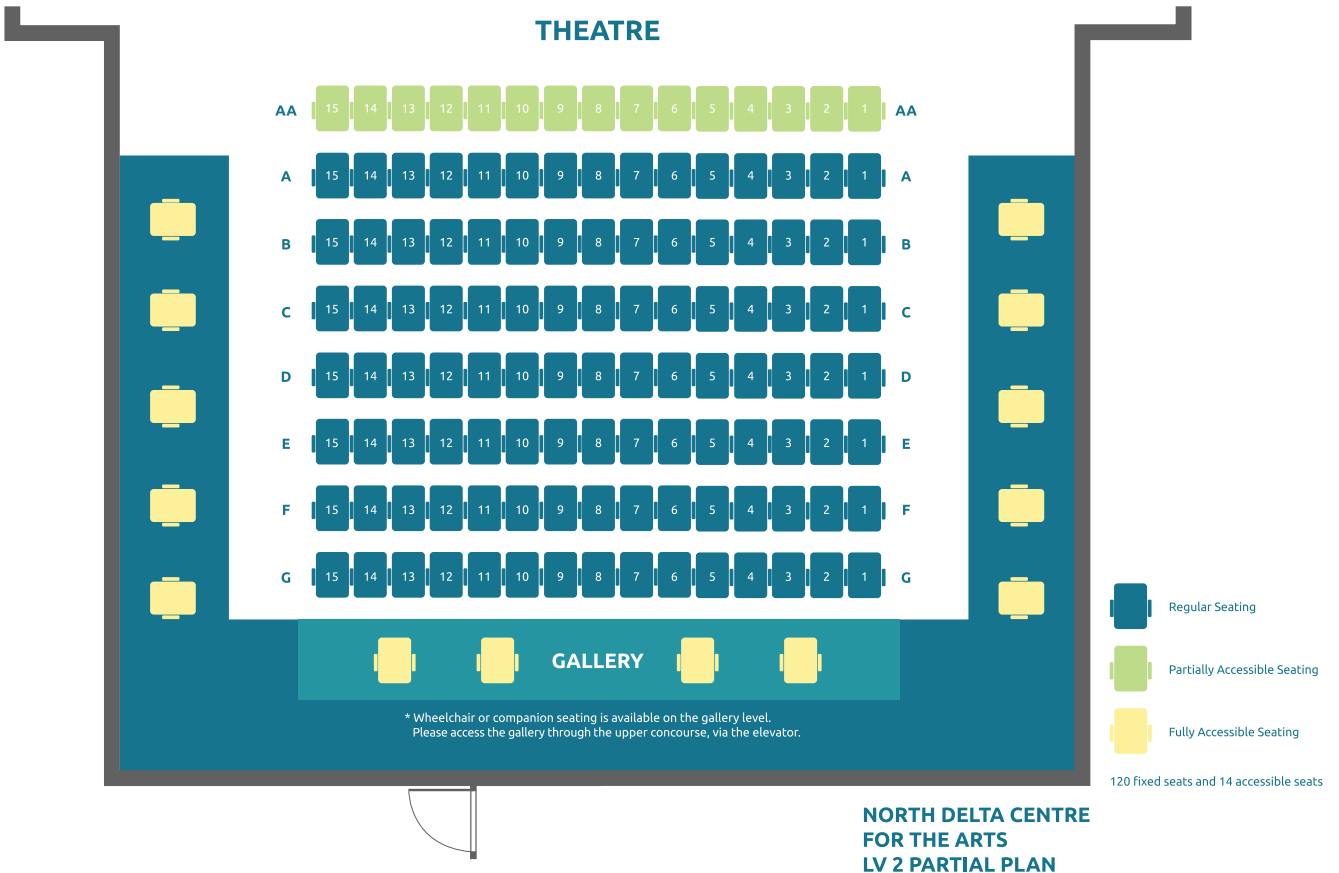

Theatre – Audience Experience

The Theatre has 120 retractable bleacher seats on the main level. There are 22 additional seats, including fully accessible seating in the balcony area on the second floor.

There are also the following hearing assistance devices that can be provided:

- Four (4) Sennheiser EZT-3011 Neck Loop T-coil - 502566
- Four (4) Sennheiser EKI-830 / HDI-830 Infrared Receivers
- Two (2) Sennheiser SI-1015 / SZI-1015 Infrared Modulator / Radiator

Green Room

The Backstage area includes a Green Room for performers to use before, during, and after their performances.

The Green Room, available to cast and crew, includes makeup tables with mirrors and lights, changing space, an accessible washroom, and a television monitor to view the stage.

Piano Room

The Piano Room at North Delta Centre for the Arts provides instructors and performers with an acoustically-sound space for practice or instruction, complete with a grand piano.

The grand piano is also available to rent for Theatre Productions.

Theatre – Infrastructure

Plug-in panels exist throughout the facility for both lighting and sound systems, allowing control from a variety of positions. Additional power is available for touring systems.
